

The Stewardship Campaign is an exciting time in the life of UUFN, driving your mission for another whole year. This year, you are being offered a budget which addresses the many overlooked needs of your building and grounds and adds back some of the staffing needed to support your ministry. Please be as generous as you are able when you accept the invitation to participate in the future of your congregational life.

With much affection,
Rev. Paula Maiorano,
Minister

The UUFN is our spiritual home. But to have a spiritual home, we need an actual place in which to practice our spirituality. I believe that 2018 is the year we can attend to some of the \$100,000 in deferred maintenance. Some of this needed maintenance is visible; other aspects not so much.

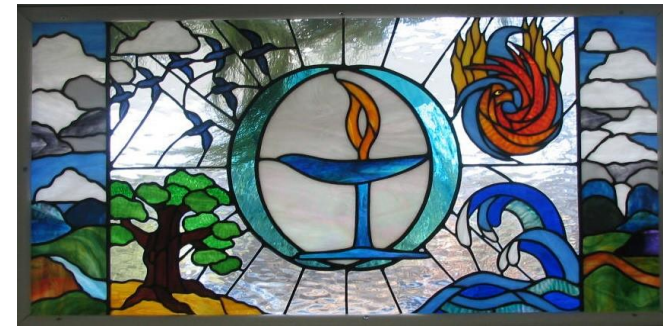

As we draft our budget, we hope to allocate significant dollars to the maintenance backlog. I hope you can give generously toward this vision and to ensure the stability of our spiritual home.

In fellowship,
Jeff Ramberg,
UUFN Board President
