Imbolc Celebration

Presented by: Nancy Plummer

Imbolc is the cross-quarter (halfway mark from the Winter Solstice and the Spring Equinox) in the Celtic Wheel. Imbolc celebrates the “first spring,” Imbolc literally means in the belly or first milk. It is St Brigid’s day & Candlemas, among other worldwide festivals, celebrated at this time.

Come celebrate this special time with Source knowledge, fire and water rituals, and plenty of Celtic music, by the very talented Celtic Harpist, Mary Kay Mann.

Sunday fellowship begins at **10:30am**

The MINISTER is AVAILABLE when needed:

Please feel free to contact me at minister@uufn.org or leave a message for me at UUFN. With caring regard, **Rev. Paula Maiorano**

Share the Plate Recipient for January— Project New Start

Project New Start is a re-entry program for Delaware men and women transitioning out of state and federal prisons. Participants spend 10 weeks together learning cognitive behavioral change, parenting, financial literacy, conflict resolution and technology training. Working in partnership with a wide variety of local organizations, the program has proven highly effective: more than 90% of New Start graduates are placed in jobs and their rate of recidivism (return to prison) is less than 30%, a stark contrast to Delaware’s average recidivism rate of 76%. Battery and Light Bulb Recycle - We are continuing the campaign to recycle batteries and light bulbs. These efforts keep corrosive and toxic materials out of the landfill where they would be a hazard to our natural resources, wild life, and future generations. We can recycle those old materials for you or show you how to do it yourself; which in turn provides ingredients to make new products. – *Thank you from your friends in UUFN's Green Sanctuary!*
