April's Share the Plate Recipient is **The Islamic Society of Delaware**

The largest Muslim organization in the Delaware Valley, ISD provides a variety of services and programs that include outreach, family counseling, educational seminars, community events, and environmental projects. Their active interfaith program brings together people from all religious traditions to raise awareness and work together toward peace. The Society responded almost immediately to the recent massacre at two New Zealand mosques with an interfaith vigil that provided solace and solidarity to our diverse community at a time when we needed it the most.
